

End of Key Stage 3 Certificates of Achievement were awarded to all out Year 9 pupils at our Celebration Assembly on the last day of term. We are very proud of their achievements throughout the year and this is further recognition for them at the end of this stage of their secondary education. As I intimated in my newsletter earlier in the year, with the demise of SATs, we introduced this system of recognition based on the average attainment scores, aggregated effort scores and endorsements for contributions and excellence in many areas of school life. If your child was absent on the last day of term, you can collect his/her certificate from the school office during the summer holidays.

Year 7 and Year 8 All Round Commendation Certificates were awarded to pupils who were nominated for prizes by teachers and who performed duties as House Captains and Student Council Representatives. Congratulations to the following pupils who achieved *merit certificates* for 3 or 4 commendations : [Gerrol Bartley 8W](#), [Michael Saliba 7G](#), [Moriah Thomas 7C](#), [Jemma Williams 7C](#), [Tara Wudhiphan 8W](#), [Ernesto Zoffmann 8K](#). Congratulations also to [Hana Cho Park 7C](#), and [Scott Laidlaw 7C](#) who both achieved *distinction certificates* for receiving 5 or more nominations.

Attendance at school is a vital factor in supporting pupil learning and achievement. An attendance record of 90% actually equates to 1 day absent every fortnight. It is, therefore, vitally important for pupils to maintain as high an attendance rate as possible. The correlation between high attendance and high attainment has been proved by research on numerous occasions. I am delighted to inform you that we have also awarded certificates for **100% Attendance** to the following pupils : [Scott Laidlaw](#), [Victor Lin Hu](#), [Juan Soriano \(Y7\)](#), [Gerrol Bartley](#), [Claudia Rabasco](#), [Ernesto Zoffmann \(Y8\)](#), [Moresche Bartley \(Y9\)](#) [Jose San RToman \(Y10\)](#) and [Victor Calderon \(Y11\)](#).
